

Executive Leadership Coaching

Executive Coaching and Development

Do you need a partner and a sounding board in thinking through some of your most challenging issues? Do you yearn for more direct feedback about your leadership style? Are you aware of the need for thought partnership to take your own thinking to the next level?

This highly tailored coaching experience allows you to focus on what is most relevant and important in your leadership. An executive coach provides unsurpassed clarity and development that lasts throughout your career. You will experience dynamic training, laser coaching and an extraordinary opportunity to have a partner dedicated to your greatness.

Results to expect:

- Build an executive leadership style that creates trust, sets a clear vision and guides your entire team toward greater performance and profit
- Develop an executive leadership style that adapts to the person and situation
- Improve performance through empowerment and effective delegation
- Deliver powerful messages that win hearts and minds: messages that are short, simple, strong, credible, tailored to your audience and lead rapidly to action
- Flex your executive leadership style when there are changes in people and conditions
- Ensure that your behavior is always ethical and reflective of your organization's values

Components of Executive Leadership Coaching

- 360-degree confidential survey
- Tailored coaching sessions based on your leadership development target areas
- A one-day coaching session to lay the groundwork for your development
- Ongoing face-to-face coaching with a seasoned executive coach
- Telephone and email support as needed to address urgent and critical challenges
