

Engaging Your Full Potential

A Leadership Development Workshop

Participants of Engaging Your Full Potential gain deep understanding of their leadership strengths, blind spots and contribution as a leader. This program is designed for leaders who are ready to expand their leadership expertise and magnify their impact.

Results to Expect:

- Identify strengths, weaknesses and opportunities for development in your leadership
- Enhance interpersonal skills to develop a better network
- Improve your leadership communication skills
- Experience confidence in addressing critical issues when the stakes are high
- Willingness to stretch into new leadership challenges

Components of Engaging Your Full Potential

- Work with a group of leaders in a highly interactive environment
- 360 leadership assessment feedback
- Individual and group coaching from a team of skilled coaches
- Creation of a leader development plan
- A training experience that produces immediate and actionable insights
